

# CYANSKY™

## K3-I9 User Manual

CYANSKY K3-I9 is a high-power long-range infrared tactical flashlight specially designed for night hunting, observation and tactical tasks. Equipped with one Osram 940 infrared LED, better hidden, the palm-sized K3-I9 can reach a maximum of 150 meters beam distance without being exposed. The single tactical tail switch with one output design allows extremely easy operation. Additionally, the double gold-plated spring against violent impacts allows K3-I9 extremely reliable for shooting or hunting.

### Product Specifications

FL1 STANDARD	OUTPUT (mW)	INTENSITY (Candelas)	DISTANCE (Meters)	RUNTIME (Hours)
	5000	5625	150	4
IMPACT RESISTANCE	2M			
WATERPROOF	IPX-8(2 meter submersible)			
TEMPERATURE	-30°C - 50°C / -22°F - 122°F			
SIZE	40mm (Head) * 25.6mm (Body) * 148.6 mm (Length)			
WEIGHT	120g (Without Battery, Battery Weight: 73g)			

Note: The above-mentioned parameters (lab-tested by using a Cyansky BL2150U Rechargeable Li-ion Battery) may vary between flashlights, batteries and environments.

**Warning:** IR is invisible to naked eyes. Please unscrew the tail by a half-turn to avoid accidental power-on.

### Product Features

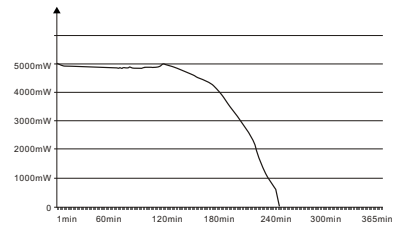

- 1\*OSRAM SFH 4770S 5000mW 940nm IR LED with 50,000 hours lifespan.
- Powered by one 5000mAh 21700 Li-ion battery and compatible with one 18650 rechargeable Li-ion battery.
- Intelligent and High-efficient constant current circuit.
- Single tactical tail switch.
- A6061-T6 aviation-grade hard aluminum alloy material shell.
- Premium type HAIII hard-anodized anti-abrasive finish.
- Vacuum electroplated aluminum reflector.
- Toughened ultra-clear glass lens with anti-reflective coating for high light transmission.
- Anti-rolling design equipped with a removable clip.
- Maximum power: 5000mW.
- Beam distance: 150 meters
- Waterproof Level: IPX8.
- Impact Resistance: 2 meters.
- Working Temperature: -30-50°C.
- Storing Temperature: -35-60°C.
- Max. Power: 5W/3.7V\*1.35A
- Spotlight Angle: 5 Degree
- Weight: 120g(Without Battery, Battery Weight: 73g)
- Size: 40mm (Head Diameter) \* 25.6mm (Body Diameter) \* 148.6 mm(Length)
- Accessories including: BL2150U battery, lanyard, clip, spare O-ring, Type-C charging cable.

### Operating Instruction

**Power On/Off:**  
Tap the Tail switch for momentary-on and release for off. Fully press the tail switch to constantly turn on the light and press again for off.

**Low-voltage Protection:**  
When the voltage is too low, the flashlight will automatically step down to a lower brightness level till battery runs out.

### Discharging Curve

### Attentions

- If the light is not used for an extended period, remove the battery from the light, or the light could be damaged by electrolyte leakage or battery explosion.
- Children use this product must under the guidance of adults.
- This flashlight is a high-intensity lighting device capable of causing eye damage to the user. Avoid shining the flashlight directly into anyone's eyes.
- Do not put the light with battery in it into the fire, otherwise it will explode.
- Do not put the light with the battery cover opened into the water.
- Do not reverse the positive and negative of the battery.

### Warranty

- 15 days free replacement: CYANSKY will offer a new replacement within 15 days of purchase for any manufacturing defects if the problem occurs in normal use. In case the model has been discontinued, the customer will receive a similar or improved model in time.
- 60 Months free repairs: CYANSKY will offer free repair within 60 months (5 years) for lights from the date of purchase if problem happens with normal use.
- Limited lifetime warranty: For lights past the free repair warranty period, we provide lifetime repairs but will charge for parts. The distributor or dealer will notify customers of the cost of the part in advance.

### CYANSKY warranty service does not cover any damages or failure caused by:

- Excessive dropping, unauthorized modification or reconstruction.
- Improper use, storage or maintenance (such as reverse putting of battery).
- Battery leakage.
- Salt water and corrosive damage to the unit.
- Damage caused by improper maintenance.
- Ordinary wear and tear/color fading.

### Accessories

**Package Including:**  
K3-I8 Flashlight, BL2150U Battery, Holster, Charging Cable, Spare O-ring, Metal Clip, Lanyard, User Manual, Warranty Card

**Optional Accessories:**  
Gun Mount(GM02/GM09/GM03/GM06/GM01), Remote Switch (RS02)
